PHILIP MORRIS INTERNATIONAL INC. INTER-OFFICE CORRESPONDENCE

800 WESTCHESTER AVENUE, RYE BROOK, NEW YORK 10573-1301

TO: Thomas Borelli

DATE: July 26, 1991

FROM: Aurora Marina Gonzalez

SUBJECT: ETS Consultancy Program

Attached please find Covington & Burling's memorandum outlining their recommendations for consultants for the Latin America program.

I am also enclosing copy of my letter to Patrick Davis with my comments about Ecuador. He has assured me that they will drop a candidate from Chile and another one from Brazil to include Ecuador and keep the original count of 14 consultants.

Please review the recommendations and let me know your comments.
